

# RATS' TALES BY AMANDA ELIASCH,

## TALES BETWEEN LONDON AND HOLLYWOOD

Wednesday, 27 March 2019

Last night I went to BAFTA winner [Alison Jackson's](#) show in Leicester Square. She used look-alikes to portray the events we think about in secret. Kate and William having a bath, Her Majesty The Queen outside a betting shop, Princess Diana and HRH Prince Harry. Amusing and informative she has fought for freedom of speech whilst often being chased by police and restricted in what she can or cannot do. Whether we agree with artforms that criticise what is happening in the world, we need to see their benefits too.
